Stanley-Boyd High School Parent/Student -Athlete Permission Slip
Driving to Athletic Contests and/or Practices
2019-2020

We must have a parent permission slip signed and in the coach's possession to allow your son/daughter to drive their vehicle or to ride with another student to any practice or athletic contest during their sports season when school transportation is not provided or required. If a signed permission slip is not returned or if the permission slip is checked "NO" your son / daughter must always ride with a coach to and from the practice or home contest.
NOTE: This is your responsibility to make sure that you and your child have communicated and understand the above procedure.

GOLF- Student drives/ rides to the Whispering Pines Golf Course /Cadott – then drives/ rides back to Stanley-Boyd High School or directly home.

NOTE: The students will take a direct route to practice or game facility. If students drive recklessly or speed the coaches reserve the right to suspend the students driving privileges to and from the practice or game facility.

My son / daughter has my permission to drive/ride to the home games and practices. Ride means with another student.
