8. Click the Register hyperlink

9. All of the starred questions must be filled in to move on, you can get past this first page without putting in a Student ID Number as long as you have all of the other starred blanks filled in.

The image shows a screenshot of the Stanley-Boyd High School website's Activity Registration page. At the top left is a logo of a mascot, and to its right is the school's name, "Stanley-Boyd High School", in a stylized font. Below the header, there are navigation links for "Home" and "Other Forms". The main content area is titled "Activity Registration" and contains a vertical list of six steps: "Step 1. Select Student", "Step 2. Select Activity", "Step 3. Parent/Guardian Info", "Step 4. Physical Forms", "Step 5. Medical Information", and "Step 6. Others". The "Step 1. Select Student" step is highlighted in blue. To the right of the steps is a form titled "Student Information" with the following fields: "Select Student:" (a dropdown menu with "- Add New Student -" selected), "Student ID:", "First Name: *", "Last Name: *", "Middle Initial:", "Cell Phone:", and "Email:". Six black arrows point from the step list to the form fields: one from Step 1 to the "Select Student" dropdown, one from Step 2 to the "Student ID" field, one from Step 3 to the "First Name" field, one from Step 4 to the "Last Name" field, one from Step 5 to the "Middle Initial" field, and one from Step 6 to the "Email" field.

Step 4 isn't required and you can Next through this one, but you can scan and upload it here instead of having your AD do it. Your AD will not need a physical copy of your physical if you upload it here, a digital copy is preferred.

10. Once you hit submit at the bottom of Step 6, an alert is sent your AD at tschindler@s-bschools.org and your Athletic Code and Concussion Consent is completed.
