

Dear Parents and Guardians,

Our school uses a District-wide transformational process called Leader in Me, which teaches 21st-century leadership and life skills to students. It creates a culture of student empowerment based on the idea that every child can be a leader. Beginning today, Tuesday, May 11th, 2021, our school will be participating in the Measurable Results Assessment (MRA). The MRA is a set of surveys that provides our school with insights on the growth of our school, Leader in Me, and the areas we may need additional focus. The MRA includes a survey for the parents/guardians and a separate survey for students in grades 4 and above. We are hoping you and, if they are in 4th grade and above, your child will take the survey so we can learn more about how we can continue to make our school a great place for students and their families. **The survey is completely voluntary, but we do hope to get feedback from one member of every household.**

**If you choose to participate:**

- **WHAT:** You will be asked to complete a 10-15 minute online survey. The questions are about you and your child's experiences with our school. Your answers will be confidential and anonymous (you will not be asked to share your name or other identifying information).
- **WHEN:** The survey is available for you to take today through Wednesday, May 19th, 2021.
- **HOW:** Please note the survey can be taken from any computer, smartphone or tablet with internet access. If you have more than one child attending the school, you will be asked to think about the oldest child's experiences as you answer questions related to his or her growth.
