Administrative Rule: Donations to the District

Written By: Jim Jones

Date: January 16, 2009

All donations made to the District need to have prior approval from the District Administrator or his designee for acceptance by the District. All donations accepted need to be in alignment with the educational policies and procedures as well as with District philosophy and best practices in education.

All donations to the District immediately become the sole property of the District. Thereby, all donors accept that the District will have sole discretion in the use of the donation.
