

TESTING PROGRAMS

The testing program in the school district shall be designed to yield information on student achievement and study ability. Professional staff are expected to use the test results as an aid in the evaluation of individual students and instructional programs designed to ensure student success.

General testing reports shall be made to the Department of Public Instruction and to the public in accordance with state law.

The district testing program shall embody those tests required by state laws and regulations.

The School District shall not discriminate in the methods, practices and materials used for testing and evaluating students on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.
