Administrative Rule: Use of video recorders in locker rooms

Written By: Jim Jones

Date: January 16, 2009

As per state statute 175.22, no cell phones, cameras, video recorders or other devices that can be used to record or transfer images may be used in locker rooms, bathrooms and other areas where privacy is an issue.

The District will maintain appropriate signage at locker room entrances to ensure that students, teachers, coaches, and the public are aware of this expectation.
