Administrative Rule: Sale / Disposal of District Owned Equipment and Materials

Written By: Jim Jones, District Administrator

Date: February 19, 2007

Equipment and materials no longer of use to the school district may be disposed of at the discretion of the District Administrator and or his representative.

The District Administrator shall make the Board aware of any item disposed of or sold which has a value of \$500.00 or more. These items will be properly advertised for sale.
