

May 6, 2026

Dear Students, Parents, Staff, and Friends

It is hard to believe we only have 2 ½ weeks left of school this year. Thank you for your patience and understanding as we work through the construction on our main entrance and ramp area.

Construction has been progressing nicely. This means we will be closing door 4 (the main entrance) sooner than previously stated.

Beginning on Monday, May 11, Door 4 will be closed, and space on the northern part of our parking lot will also be closed off. Door 1 (the elementary entrance) will temporarily be the main entrance to the building. It should be used for both the school entrance and the pool/fitness center entrance. Bike racks will be located by door 1 and door 8. See the map on the next page for door labels.

In the parking lot, please use the 1st Avenue entrance (south) as the entrance to our parking lot and use the west entrance as exit only. Also, please refrain from parking anywhere that obstructs the flow of traffic in front of the building. We appreciate your patience and cooperation with these changes and apologize for the inconvenience during this project.

As always, thank you for your continued support of our schools. We appreciate the partnership we share with our students, families, staff, and community, and we look forward to finishing the school year strong together.

Go Orioles!

Sincerely,

Jeff Koenig
Superintendent
