

BOOK CLUB & MOVIE

Join our summer book club! Read Because of Winn Dixie throughout the summer by yourself or with your family. Then join us at the Stanley Theater on **August 13th @1:30pm** for a showing of the movie Because of Winn Dixie! There will be activities before and after the showing to compare the book to the movie and share our favorite parts of each!

Why Read? It's Summer!

Research Shows:

- Over the summer months, children who don't read lose about two months of progress.
- Students who read over the summer do better in school in the fall.
- Students who read for fun outperform those who don't.
- Students read more when they can choose their own books.
- Reading 5 books over the summer can prevent academic loss.
- Summer reading loss is cumulative. By the end of 6th grade, children who do not read over the summer are two years behind other children.

What is Camp Read S'more and the bookmobile?

Camp Read S'more is a school wide summer reading program. It is offered to Stanley-Boyd students entering 4K—8th Grade. This project is intended to motivate our students to read throughout the summer months, build students' home libraries, and give students easier access to books. Rain or shine, look for the Camp Read S'more school van every Thursday at our scheduled stops in Stanley and Boyd.

What can parents do to help their child with reading?

- Participate in Camp Read S'more.
- Keep a supply of reading materials around the house and model reading.
- Read books together with your child. Listen to them read, and read to them.
- Make reading exciting and encourage it; don't think of it as a chore; no timers!
- Let kids abandon books they aren't interested in. Help them find what they do like and make sure they understand it.
- Create a summer reading list.

Still have your lanyard from other summers? Dig it out and bring it back to the bookmobile the first time you come for an extra brag tag to jazz it up!

GEOCACHING

We will be on the hunt for good books all summer long, but why not add a treasure hunt as well! Go with the family! Each week on Facebook we will post the GPS coordinates to a hidden CRS Geocache, along with a hint. Your job is simple, download the free Commander Compass app, grab a pen, and then go look for the hidden Geocache! Look for a small tube hidden at the location. Once found, open and log your name on the paper inside it, seal it up tight, and put it back where you found it for the next person to find. Prizes will be given at the end of summer to the names logged on each "Cache"! Good luck!
