**Applications due to Mr. Kopplin
by May 1st**

John D. Scholze Memorial Scholarship Application

John grew up in the Stanley-Boyd area and started working at a young age at his parent's grocery store in Boyd, the Big B. He graduated from SBHS in the class of 1977 and attended CVTC graduating with a business management degree. Since then he lived in Wisconsin, Utah, Kansas and Texas, always working in the grocery business, most of the time in retail. He has owned his own grocery business, managed several other stores and was a buyer for large grocery corporations. Business management, entrepreneurship, marketing and leadership skills served him well during his career.

Name_____

GPA_____ **Class Rank**_____

Describe how business will play a role in your future career plans?

Do you have an interest in small business or any facet of the grocery business?

What business related activities did you participate in during high school to prepare?

Please explain how you plan to pay for college?
